d. Connah’s Quay Lower Carbon Power Project

An email from the Planning Inspectorate relating to Connah’s Quay Lower Carbon Power Project was considered.

RESOLVED: That the email was noted.

121. COMMUNITY LIBRARY

The Chairwomen brought this matter forward.

Councillor J. Humphreys reported the reason he has brought this item back on the agenda is due to the Community Library’s recent planning application to extend the premises, which raises additional concerns regarding the electricity costs. I feel the Council agreement to cover the electricity costs was made over 10 years ago and that other groups in the community have never had the privilege of this lengthy assistance.

After requesting copies of the electricity invoices, myself and fellow Councillor B. Gittins have spent time looking at the information and we have three additional points that we would like the Community Library Committee to address:

The invoices are extremely misleading and are made out to Bagillt Community Council, I believe this is wrong as the Council does not run the premises, therefore the invoices should be made out to the Bagillt Community Library group and then the Council can reimburse the group. As if Council funds were low and we could not make the payment, this could leave the Council with bad credit, which I presume Flintshire County Council would not be happy with.

The next point which is alarming is the UK average charge per KWH is 29p, the price the group is currently paying is £1.16, 4 times more. Why has the group not addressed this matter.

For clarification, why are there three meters in the Community Library building, this is what you would expect to find in an industrial unit.

Councillor J. Humphreys proposed that the Community Library is made a standing item on the agenda until the issues have been addressed which will allow future discussions as in times of austerity we need to ensure these matters are fully considered.

Councillor K. Rush said he is aware that the Community Library is looking into Solar Panels on the building and he is also aware the group is in the process of addressing the electricity issues with the current electricity provider and hopes for a refund.

The Chairwomen, Councillor A. Locker referred to an email that Councillor C. Owens had sent the Clerk clarifying he is in contact with Opus energy and was looking to move providers.

Councillor C. Williams confirmed the Community Library were no longer in contract with Opus Energy and that the group had recently been given a charity status, which enabled different options. The decision for the Council to pay the bills directly was in order to re-claim the VAT.

Councillor B. T. Doleman said there is a Policy document which was written in approximately 2013 by the previous Clerk which agreed that the Council covers the Electricity and Insurance costs for the Community Library and this needs to be brought the next meeting before any decisions can be made.

The Clerk reported she was not in ownership of this policy and would endeavour to find the policy via the archives or information from the previous Clerk.

RESOLVED: That the Clerk will endeavour to locate a Community Library Policy and that the Community Library would now be a standing item and discussions will continue at the next meeting.

122. ACCOUNTS FOR PAYMENT

Councillor J. Humphreys asked for it be noted his intention was to propose an objection to paying the Community Library Electricity payment this month, however, due to the Community Library Policy being referred to in the previous discussions, Councillor J. Humphreys revoked his proposal and is awaiting to see this Policy at a future meeting.

3. That in relation to the application from the Holywell Leisure Centre, no donation to be made.

124. STREET FURNITURE INSPECTION

The Clerk reminded Councillors it had been agreed that the inspection would be carried out on a rota basis between Councillors. Councillor A. Locker and Councillor T. Strong carried out last year's inspection.

Councillor Ms. A. Locker and Councillor Miss. T. Strong shared concerns that some of the issues reported from previous years were still outstanding.

The Council agreed for Councillors A. Locker and T. Strong would carry out the Street furniture inspection for 2024/25.

RESOLVED: That the Clerk will send the Inspection report to Councillors A. Locker and T. Strong.

125. JDH BUSINESS SERVICES LTD

The Clerk requested the Council agree to continuing to use JDH Business Services Ltd for Internal Audit Services and agreed the increase in service costs.

RESOLVED: The Clerk will write to JDH Business Services Ltd advising them of the Council's decision to continue to use their services.

The Council considered the following Policy for approval and adoption: Financial Regulations.

RESOLVED: That the Financial Regulations Council Policy was approved and adopted.

127. YOUTH SHELTERS

Councillor Y. Rush reported she had no further information to report.

128. REMEMBRANCE SUNDAY

Councillor C. Williams reported he had been unable to find a key to check the electricity socket at the Cenotaph so they can arrange for a speaker at the Remembrance Service this year. Councillor B. T. Doleman said he had a key.

Councillor B. T. Doleman proposed that the Council takes over the organising of the Remembrance Service and said he is willing to do this on behalf of the Council. Councillors agreed.

Councillor B. T. Doleman also informed the Council that a grant had been applied for to repair and clean the Cenotaph and a local resident following the passing of her father, Mr. D. Hughes, had donated £512 toward the project.

RESOLVED: That Councillor B. T. Doleman and with assistance from fellow Councillors will take over the organising of the Remembrance Service.

129. CORRESPONDENCE & CLERKS REPORT

The Clerk reported that Mr. A. Stanford, Flintshire Highways had replied relating to Speed Calming Measures, confirming that new Welsh Government Legislation means that speed calming measures are not required in 20 mph areas and those that have speed calming measures would not gain funding for new traffic calming or amendments to existing schemes.

RESOLVED: The Clerks report was noted.
