25. BAGILLT FORSHORE

Councillor K. Rush asked if Flintshire County Council had responded to the request for more information following a letter sent to Ms. H. Blythyn dated 20/12/17 regarding the Dee Coastal Path, where it stated that the Council face landownership issues and that the section between Bagillt and Flint has proved difficult to negotiate a suitable outcome due to constraint issues.

The Clerk confirmed no full response to date.

Councillor B. T. Doleman proposed the Council writes again to Flintshire County Council and a copy is sent to Ms. H. Blythyn, AM.

RESOLVED: That the Clerk will write to Mr. D. Jones, Flintshire, Operational Manager and Ms. H. Blythyn, AM requesting a full response regarding the Bagillt to Flint Dee Coastal Path.

26. ST MARY’S CHURCH

Councillor M. A. Reece reported that the Church are having issues with Japanese knotweed which the County Council will not treat as its private land, so the Church are seeking donations to help pay for its removal, which is a 5 year process.

27. FOOTPATH NUMBER 10

The Chairman read out the email response from Mr. S. Jones, Flintshire Rights of Way Officer.

The email stated that it is appreciated that Public Footpath No. 10 has been in dispute for some time and it would appear that the Authority is not progressing with a resolution, unfortunately it’s simply
not just a case of dealing with an obstruction, but rather the need to clarify the exact termination point of Footpath 10 before we could take any formal action.

The main issue is that the position of the Footpath on the definitive map is inconclusive, and therefore in an attempt to resolve the matter once and for all and to get an impartial view, the Authority has engaged a nationally-known consultant who specialise in public rights of way issues.

Regrettably while we are seeking this external legal advice to clarify the termination point of the route, the route remains “in dispute” and whilst I understand the frustrations of the Community Council and indeed the many people who would like to use the route, I must advise that if anybody was to serve notice on the Authority under Section.130a of the Highways Act, at this moment in time, it is unlikely we would enforce the notice until the exact route is clarified.

The Chairman proposed we respond to Mr. Jones and request an approximate timetable for resolution of this issue.

RESOLVED: That the Clerk will respond to Mr. S. Jones, Flintshire Rights of Way Officer and request further information.

28. STREETSCENE & TRANSPORTATION - BUS NETWORK REVIEW CONSULTATION

Following on from Mrs. R. Cartwright, Flintshire Streetscene and Transportation Officer attending the previous meeting, the Council has been asked to provide Flintshire County Council with comments on the consultation document.

Councillors considered the 4 options:

1. Stop subsidising bus services altogether
2. Continue to support the services currently subsidised
3. Support services on the core bus network and implement Local Travel arrangements for the non-core network
4. Support services on the core bus network and implement a demand responsive ‘ring and ride’ service.

The Council agreed option 3 would provide the best service for the community.

The Clerk circulated information as requested on the ‘Ring and Ride Service’, that Mrs. Cartwright spoke about at the previous meeting.

RESOLVED: That the Clerk will respond to Mrs. R. Cartwright, Flintshire Streetscene and Transportation Officer and confirm the Council will opt for option 3.

29. FLINTSHIRE COUNTY COUNCIL DRAFT PLANNING ENFORCEMENT POLICY

The Council considered the draft policy and agreed it was a complex document with a lot of information to digest.

The Council agreed that a response should be sent from the Council as opposed to from individual’s. The Chairman proposed that himself and the Vice Chairman will prepare a
response on behalf of the Council as he feels more time is needed to consider and prepare a formal response.

**RESOLVED:** That the, Chairman and Vice Chairman will prepare a response and forward this onto Mrs. M. Lewis, Flintshire Development Manager.

### 30. ARMED FORCES COMMUNITY - FUNDING INFORMATION - WW1 SILENT SOLDIERS

The Council considered a report of the Clerk, copies of which had been previously circulated, which had been prepared in consultation with Councillors A. Griffiths and B.T. Doleman, who were prepared to certify that the internal controls listed were in place and being adhered to by the Council.

**RESOLVED:** That the document, as circulated, be constituted as the review of Internal Controls by the Council for 2018/19, following certification by Councillors A. Griffiths and B.T. Doleman, that the internal controls, as listed, were in place and being adhered to by the Council.

### 32. FINANCIAL DONATIONS

The Clerk asked the Council to agree and approve the proposed application form which would be issued to anyone who wishes to apply for a financial donation from the Council.

The application form detailed that applications are normally considered by the Community Council at its October Council meeting and finances permitting, its February Council meeting. The application form and required paperwork should be sent to the Clerk & RFO by mid September/January respectively for consideration at these meetings.

The form included details of the Community Council’s policy, that states:

- Financial support is confined to local organisations etc., as a general policy.
- Financial support to outside organisations and events etc., shall be considered when residents of the Council’s area are participating or there is direct benefit to the community.
• Financial support is confined to organisations that have a bank balance of £1,000 or less, unless residents of the Council’s area are participating or there is direct benefit to the community.

RESOLVED: That the Council approved and agreed the application form and policy guidelines. This application form will be sent to any applicants and completed before the Council will consider providing a financial donation.

33. IRPW PAYMENT TO COUNCILLORS

The Clerk informed Members that she attended an IRPW conference on Wednesday 9th May. It was confirmed that the £150 payment to Members is a mandatory payment. It was also confirmed the payment is be paid for the Municipal year, therefore May – May.

The Clerk asked the Council to decide how the £150 is to be paid, the options are via payroll which would occur costs for the payroll services or the Clerk can make the payments via bacs/cheque payment, with the Council authoring the payments on the monthly account sheets. If bacs/cheque payment, no tax deductions will be taken and the Clerk recommended to include a disclaimer on the payment receipt, which the individual Councillors would sign to confirm receipt of the payment and that tax deductions were not taken at source, it would be the individual’s responsibility to contact HMRC. The guidance given at the conference was not clear if this amount will be taxable.

The Council were also asked to decide when they would like the payment to be made, that is, which month and also agree, should a Councillor leave mid-term of office, would they be asked to refund the Council a prorated amount of the £150.

The Clerk said as this payment is a mandatory payment, should a Councillor choose not to receive this payment, they need to write to the Clerk advising that they do not wish to receive the £150 payment.

RESOLVED:

a. The Council agreed payment should be made via bacs/cheque payment and a disclaimer to be included on the payment receipt which a Councillor would sign prior to the payment being made.

35. LONG SERVICE AWARDS

Councillors M. A. Reece suggested setting a sum of money to purchase a gift for those members who have served 25 years or more or having a board in the Community Library engraved with the names of long serving members.

Councillor C. Renshaw said he is not in agreement with a monetary gift as this maybe frowned upon by members of the public therefore suggested an engraved glass of certificate.
