ANNUAL INVESTMENT STRATEGY FOR BAGILLT COMMUNITY COUNCIL

This Annual Investment Strategy is prepared in accordance with the statutory guidance on Local Government Investments issued by the National Assembly for Wales.

All cash, bank balances, financial assets, borrowings and credit arrangements are defined as a part of the Council's treasury management activities. This Annual Investment Strategy will concentrate on the Council's temporarily surplus resources (or other financial assets it holds) and the investments it undertakes of these resources.

The Council undertakes to ensure that for all its investments, priority will be given to security and liquidity rather than to yield. In drafting this Annual Investment Strategy the Council has made appropriate arrangements for:

- Identification, management and control of risks in the investments/treasury management activities it undertakes.
- Budgeting, accounting and audit arrangements.
- Its cash and cash flow management requirements
- Segregation of responsibilities, organisational arrangements, adequate documentation and the identification of a responsible officer for investment/ treasury management activities.
- Corporate governance.
